THE RAYMOND LION

The second May Luncheon and Meeting of The Raymond Lion's Club was held in their Club Rooms at the Opera House at seven-thirty May 21. President Rayo Woolf took charge of the meeting. Several Lions were with the Operetta in Lethbridge, so we were short-handed. Tucker Hironaka, Joe McLean, and M. T. all took a turn at Lion Tamer Hill's job. There were twenty-four of the membership present.

The attendance draw for the ladies was made with the swag going to Mrs. Eva Wilde. This is a little at attendance scheme to get the boys to come out. I should say to encourage the girls to put the bite on any who misses a meeting. If a lady is drawn and her husband is not at the meeting, the secretary calls her and explains that she has been the lucky winner but since her husband is not at Lions tonight she will forfeit the pool. The husband, being present the secretary simply delivers the cash.

In the middle of the meeting an escaped student from the girls finishing school down East of town came sauntering in talking to an imaginary husband or boyfriend. She gave a very convincing performance imitating a country clod at her first movie in Salt Lake. After ten minutes she took off her hat and it was Virginia Baker, the director of the show "Going Places". She took us by surprise and by storm. Arlidge is always bringing in some new sensation for us.

The Annual District 37 Convention for 1951 is past history. Raymond Lions are falling pretty low when only one old Monarch attends the District Convention. Well P. K. Moreland will be there for the club when all the spry young blades (so they think) are feeble in bones as well as excuses. P. K. tells us that the Convention was very good. He gave us a short report on the highlights of the palaver. The peak of the rally was the talk by the Director General of Lions International—Roy Keaton.

The attendance was rather small—less than five hundred delegates and partners. However, that was about all that Calgary had arranged to entertain. Missoula had over fifteen thousand men miles travelled. Blairmore had the greatest percentage of their membership present at the Convention. Raymond was next to the smallest—one Club had none.

The Election for District Governors turned up with these successful candidates: Governor of District 37D—A. Bill Rowley; 37-B Bill Buxton; 37-C Jack Murray; 37-D Jack Coulter. The old faithful Ray Nelson will continue as General District Secretary-Treasurer.

The first meeting in June will be special honors for the past Club Presidents. There are eleven of them and all are in the Club except one. This speaks well for the excellence of the Lions program. The special address will be given by the first President of the Raymond Club—Rulon Dahl.

This should be a very entertaining meeting and we are looking forward to a full attendance of the Club membership on that date. A big surprise is in store for the gang—come and see.

It is an unusual thing for a cow to give birth to twins but it is even more unusual for the twins to be siamese. That is what almost happened at the Pete Coppieters farm recently. A calf, or calves, born to a cow out there was found to have two heads, six legs, two tails and two bodies that were joined at the stomachs. Unfortunately both the cow and calf died.

1901 RAYMOND'S GOLDEN JUBILEE 1951

*Our town will celebrate its fiftieth birthday on July 1st of this year
Plan now to do your part in making the celebration a success*

"Naughty Marietta" Is Presented

The Taylor Stake Music Committee must be commended for their production of "Naughty Marietta" presented at the Opera House 17th of May. Their condensed version of this Comic Opera was really enjoyable, and to see it played by almost all local talent, made their efforts the more admirable.

Marietta, played by Nora Stone, had the leading role, and she appeared to enjoy her work. She acted the part with confidence and required little prompting. Capt. Dick Warring, ton, the leading man, played by Frank Clawson, deserves a word of praise for his singing and acting, and his duet with Marietta, "I'm Falling in Love With Someone" was worthy of the applause received. For the comedy Joe Strong as Simon O'Hara, and Ruth Salmon as Lizette, provided many laughs and they were most suitably cast for their parts. The role of the Lieut. Governor played by Dean Rolfsen, was given the dignity attached to such a personage, and his acting ability was given good scope. Grant Erickson as the son of the Lieut. Governor deserves special mention as we believe he undertook this major role at comparatively short notice and acted in a convincing manner. Other parts were played by Leon and Watson, Lyman Hardy, Delbert Oler, T. W. Meldrum, D. Litchfield, Laura Watson, Rita Rasmussen, Reva Heggie, Jean Mehew and a special word of praise to Jim Hudson as Florenze, for the excellent delivery of his speaking role.

The opening chorus commenced lacking the smiles usually associated with comic opera, instead there were too many worried expressions. However they soon vanished, and they sang the remaining numbers quite well.

(continued on page two)

Velma Vance, Bride-Elect, Honored

Wednesday evening in the Second Ward Recreation Hall, which was beautifully decorated in pink and yellow for the occasion, Velma Vance was honored at a lovely miscellaneous Shower.

The guests were greeted at the door by the bride-elect, her mother Mrs. Margerite Anderson and Mrs. Della Wolf. Mrs. Hazel Rebalkin presided at the Guest Book and Wynne Fisher, Afton Christensen and Joyce Phillips accepted and arranged the gifts.

The very entertaining program, with Mrs. Phyll Meeks as Master of Ceremony, commenced with the Gen Hawkins, Evelyn Melchin and Melba Mehew trio singing "Homework". Jeanine Jensen sang "My Love Loves Me" and Lucy Stevens entertained with a comic Reading, "Never Be Truthful". Nora Stone sang "At Dawning" and Geraldine Palmer presented the musical Reading "I Love You", accompanied by Eunice Piepgrass at the piano. The concluding number was a piano duet by Margaret and Kay Stone.

A very tasty lunch was served to the guests by Anita McBride, Mary Snow, Evelyn Heggie, Janice Rudd, Phyllis Salmon and Carol Dahl. The lunch was under the direction of Mrs. Julia Tollestrup.

Beginners' Registration

All parents who have children ready to start school in the fall are requested to have them registered by the end of May. Children must be six years old on or before September 1st, 1951, to be eligible to start school this year.

All children should be registered at the Public School Office before the end of May.

Raymond School Board

Mr. and Mrs. Louis Fisher were visitors in Cardston on Mother's Day at the home of Mr. and Mrs. Jim Smith.

Annual RAAA Track Meet Planned

The Raymond Amateur Athletic Association will sponsor their annual Track and Field Meet here on Saturday, the 9th. of June. Starting in the morning and running all day, the meet will feature some of Alberta's finest athletes in a full schedule of events for both men and women. More than 60 Trophies will be presented. For tops in Track and Field be on hand at the Town Park on Saturday June 9th.

Full detail and entry forms can be obtained from Dee Rolfsen or Barker Selman.

The world knows but little of failure and cares less. It watches only the successes.

Just Penning Thanks

(Margaret Huszar)
Hi, everybody! Yup, its me again. Lots of things have been happening at school lately.

We were promised a holiday Friday, if the weather were nice. Every indication pointed to a soggy, wet, unpleasant day. It was the track meet wasn't it? Well, bright (only because the lights were on) and early (believe it or not) the grade 12's plodded to school to absorb some Social Studies before absorbing the visiting scenery. The sky was leaden. At any moment rain might fall. Only the supplications kept the buckets turned right-side-up.

At 9 o'clock the track meet began. Raymond, naturally, walked off very easily with nearly all the trophies. (I'm not conceited, but I sure think I'm cute) Then, wonder of wonders, as if we hadn't been expecting it all day, it began to rain. It stopped long enough in the early afternoon so that the last part of the track meet was sloshed off.

That night the Junior Prom was held. It was highlighted by the crowning of the Queen—Lois Clifton. She really looked regal. There was a good turnout and everyone had a good time.

The beautiful aroma which has been emanating from the lab all week is not perfume, kiddies, its rotten egg gas. Or could you guess?

Exams are only a month away. Time marches on. What? Am I sick? Goodness, no, green is my natural color.

Rose Lee Jones Is Laid To Rest

Rose Lee Jones, who would have been forty-one years old on July 8th has gone to her last reward.

Rose Lee was born in Burnis, Alberta, and after taking her schooling there she went to Pincher Creek where she met and married Albert Jones. After living in Pincher Creek for about a year the young couple moved to Raymond and took up residence at the H. S. Allen farm where they and their family lived until about three years ago when they moved into town.

"Rosie" as she was known to big and little, young and old, was a well-known and well-loved person. She was a convert to the Church of Jesus Christ of Latter-Day Saints and a faithful and willing worker in the Primary organization of that Church. She was first called to be a teacher and then to be a councillor and at the time of her passing was President of the Fourth Ward Primary. She loved children and was always ready and willing to serve.

She is survived by her husband and three children, Yvonne, Geraldine and Heber.

Funeral services were conducted by Bishop Golden Snow in the Stake House on Saturday, May 19. The large crowd and the many floral tributes were evidence of the high regard held for Mrs. Jones and her family.

The opening prayer was offered by M. T. King after which the Choir, conducted by Gerald Gibb and accompanied at the organ by Mrs. Velma Redd sang "O My Father". Heber Allan spoke of his long association with the family and offered words of consolation and encouragement. Joe McLean gave a beautiful rendition of "Going Home" and Ken Stone's remarks on Mrs. Jones' Primary activities were followed by Mr. and Mrs. James Harker's song "In The Garden". The Choir sang "I'll Go Where You Want Me To Go" and Bishop Snow, as the concluding speaker, paid high tribute to one of God's choicest spirits. The Choir number "Not Now But in the Closing Years" concluded the services. The benediction was pronounced by T. T. Mendenhall and Bruce Galbraith dedicated the grave. Interment was in the Temple Hill Cemetery. Pallbearers were four of Mr. Jones' brothers, Stanley, Heber, Austin and Bill, Jim Weaver and Jerry Bartosek. The class of eleven year old boys in the Primary were honorary Pallbearers. The casket was covered with a wreath of flowers in the Primary colors of red yellow and blue.

(Continued on page three)

What Happened At Council Meeting

The Regular Meeting of the Council was held last Monday May 14 at 8 p.m. in the Town Hall with Mayor Jensen, Councillors Wilde, Jacobs, Ralph, Galbraith and Melchin present. The minutes of the previous meeting were read and adopted on motion of Councillor Ralph.

The Cash Statement was read and accepted on motion of Councillor Wilde.

The Auditors Report for the first quarter was read and accepted on motion of Councillor Wilde.

The Cemetery Committee, represented by Mrs. Dell aWoolf, met the Council renewing their request for \$500. Moved by Councillor Ralph that \$300. be granted and the necessary readings were given to the By-Law authorizing this grant.

A letter from Ralph Thrall was read regarding the overflow of the Sewage disposal plant, as was a letter from the Provincial Sanitary Engineer stating that he would call during the month. The Secretary was instructed to inform Mr. Thrall that the matter was being investigated.

Letters were read from the First and Fourth Ward Mutuals regarding the hard surfacing of the tennis courts. Councillor Galbraith agreed to obtain information on the cost of this project.

It was moved by Councillor Ralph that a grant of \$10.00 be given to the Institute for the Blind and the necessary readings to the By-Law were given.

A letter from the Director of Assessments was read regarding the cost of a new assessment. Moved by Councillor Jacob that no new assessment be obtained at this time. Carried.

Cliff Dahl applied to rent the streets on the North and East of Block 71. Moved by Councillor Ralph that the Town rent him the street North of his property only. Carried.

It was moved by Councillor Melchin that Frank Dawley's application for permission to open a business be approved by the Council. Carried.

A letter from L. B. Thompson, P. F. R. A. Director was read stating that he would investigate the matter of maintaining the dam creating the Raymond Reservoir.

Moved by Councillor Melchin that the Secretary be instructed to contact M. D. Sugar City No. 5 and to work with them in protesting the closing of the Card Coulee road. Carried.

A petition was presented to the Council by a group of business owners requesting the Town to oil the streets. After investigating the cost of this operation the Council decided that they could not afford to do it this year.

(continued on page three)

Last Friday night the Raymond Catholic Youth entertained other Southern Alberta C. Y. O. groups at a dance in the Hungarian Hall. In spite of the rain, Lethbridge, Milk River, Magrath and other towns were well represented. Everyone enjoyed the novelty dances and the prizes that went along with them. A tasty lunch was served.

Our phone number is 24.

Golden Anniversary

(Continued from last week)

Remember all meetings held during the month of November were held in Chas. McCarty's store except Nov 17 at which time the meeting was held in the home of Bishop Knight for the purpose of sustaining Jos. Devan and Ephraim B. Hicks as Counsellors.

Do you know where stands the first home of Bishop Knight? Many of you young people will be surprised when I tell you that the present home of Viola LaMar is the first house Bishop William Knight built. However they did not live there for long but built a fine commodious home (the present home of Art Roland) The Knights sold this home to Chas McCarty when they moved to Utah in 1907.

While these meetings were being held in the old Mercantile "Uncle" Jesse was building a Church for the handful of pioneers and in the meeting of Nov. 10th. (the first meeting over which the new Bishop presided) Elder John W. Taylor asked the men to volunteer to go to work a few days on the new Meeting House and help hasten its advancement far enough to render it possible to be used for meetings. Elder Taylor said he wanted to contribute work on the new Church if only to saw a board and put it up so he could say he had helped build the first Church in Raymond.

Question: When was the first Meeting held in the new Church?

Answer: December 6th. 1901. Pres. Chas. O. Card and his Councillor, Thos. Duce were in attendance from Cardston. The Meeting House was presented to the Raymond Ward by Jesse Knight at a cost of \$2,000.00.

Question: When was this little Church dedicated?

Answer: May 25th. 1902. As Colonists began to arrive in the new town the little Church on the hill soon became inadequate and in 1903 the Settlers banded together and began to build a larger and more suitable Ward and Stake House. This second place of Worship was completed by 1904, seating 1,250 people by using the gallery.

Question: Do you boys and girls remember when this building, which had served the public since 1904, was torn down?

Answer: It was torn down in 1939.

Question: Do you remember when the First and Fourth Ward and Stake House was dedicated?

Answer: June 29th. 1941.

Question: Going back to pioneer days again, who was appointed Raymond's first Overseer?

Answer: Henry Fairbanks, father of Viola LaMar. The second Overseer was Edward McCarty.

Question: When was the first School House built?

Answer: In 1902-3.

Question: Where was it located?

Answer: It was built across from King Bros. Store, a little way to the north, which is now the Buddhist Temple. The enrollment in that first school was 325 pupils with five teachers. Some of the first teachers were: Miss Middlemiss, Miss McLeod, Miss Scott and Mr. Keillor—all from Eastern Canada. Mr. Keillor was Raymond's first principal.

Mrs. Edna McLeod accompanied Mr. and Mrs. Hans Anderson, who are her brother and sister-in-law to Great Falls for a short visit last week end.

Town Constable Is Leaving

After being Town Constable here for the past nine years Jack Pittaway is moving to Taber to accept a similar position there. When the Pittaways move to their new home next week the best wishes of the community will go with them.

All-Canadian ENERGY

More food energy comes from an acre of sugar beets than from any other crop in Canada. It is the quick energy that comes from up to three and a half tons of sugar grown per acre, plus the livestock energy that thrives on the amazingly rich sugar-beet by-products.

In a world hungry for food, the sugar beet is of vital importance. Also important to

you, as a Canadian, is this fact: Sugar, refined from the sugar beets of Southern Alberta, is all-Canadian energy.

From the seeds to the final product, Alberta Sugar is the result of Canadian enterprise, Canadian farmers, and Canadian soil. Another reason why you should look for the Maple Leaf on the bag. It's the mark of Pure Alberta Sugar!

(continued from page one)

The production was well received before a capacity house, and the music of Victor Herbert, so well known and liked, provided by the orchestra conducted by W. C. Stone, added to the evening's entertainment.

The orchestra consisted of Emma Dahl, Clifford Palmer, George Brown Ed. Kiddle, Milton P. Strong, Roy Fremstad, Mose Fromm and Don Steele.

Those assisting in other capacities were Elodia Christensen, Bob Reed Marie Strong, Sidney B. Smith, Ruby Holland, Edith Peterson, Doral Young E. N. Christensen, and Reid Litchfield.

Director Stone is to be congratulated on the ambitious production and its success. Amateur productions of musical comedy are difficult to produce in a city, and it is therefore a credit to Raymond that such a wealth of talent is bestowed in this town.

One word of complaint however. It is unfortunate there was such a delay in starting the performance—we thought the patient audience deserved an explanation.

The Operetta was also presented in Cardston and Lethbridge.

Seventy-five years ago Jas. S. Anderson was a very young man who had a great honor. When attending school in Woodside, Aberdeenshire, Scotland, at the age of 8 years he had the privilege of shaking hands with Queen Victoria. Mr. Anderson, now 83 years old, is still a proud Scotsman — proud of many things, two of which are being a proud Scotsman and having had that privilege.

Mr. and Mrs. Tennyson Smith of Salt Lake City announce the birth of a first child—a son, Micheal—on May 15. Mr. Smith is attending the U. of U. in Salt Lake.

What Happened At The Council Meeting

(Continued from page 1)

A letter from Stanley Greep's Lawyer was read regarding the hole in the lane near Mr. Greep's property. It was reported that this hole has now been filled and Councillor Jacobs moved that the letter be tabled. Carried.

It was moved by Councillor Jacobs that the Town join the Union of Municipalities and pay their \$30.00 fee. Carried.

A letter from Mr. Hansen, of Calgary Power, regarding the moving of poles from Main Street was read. It stated in the letter that the Company would prefer not to do it at this time but if the Town could obtain the necessary easements they would proceed if the Town insisted. This matter was tabled for further consideration.

It was moved by Councillor Jacobs and seconded by Councillor Ralph that second reading be given to By-Law No. 462 authorizing an increase in the domestic power rate. Carried. Moved by Councillor Galbraith and seconded by Councillor Melchin, that third reading be given to the said By-Law. Carried.

Marshall Hervey applied for permission to move his fence out onto the street on Lot 10, Block 178. Moved by Councillor Wilde that permission be refused. Carried.

The Mayor reported that one \$5,000 Bond has been sold. Moved by Councillor Jacobs that the Mayor and Secretary be authorized to sell what additional bonds were necessary to pay the Town's obligations. Carried.

It was moved by Councillor Melchin that the Town's old Grader be advertised for sale by bid. Carried.

The Secretary was instructed to write the Department of Municipal Affairs asking whether the Town had authority to pass a By-Law providing a penalty to the owners of livestock allowed to run at large.

The necessary readings were given to a By-Law amending the Licensing By-Law and providing that each Journeyman electrician be charged a license of \$30, and that each apprentice be charged a license of \$10.

A petition was presented requesting that the proposed route of the road through Raymond be changed from Second Street North to First Street North. Moved by Councillor Wilde that the Mayor take up this matter with the Town Road Committee and the District Engineer and take what action was considered advisable. Carried.

The payroll was read and ordered paid on motion of Councillor Ralph. The meeting was adjourned on motion of Councillor Jacobs.

NOBLE MODEL M

Outstanding Performance IN CHANGING SOIL-CONDITIONS

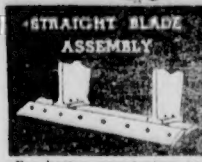

Designed to handle ALL SOIL CONDITIONS easily, Noble Cultivator attachments can be supplied for any soil condition. No cultivator without attachments can suit all conditions. Even where a plow will not penetrate, as for after-harvest work in certain dry baked soils, the Noble straight blade attachment will usually penetrate and work satisfactorily.

For weeding and second stroke summerfallow work the weeder blade is readily interchangeable, going on the same frog as the regular shovel blade. This weeder assures a better weed kill than the ordinary blade and should be used wherever the ground is sufficiently loose that it will penetrate. It clears through, penetrates and withstands rocks where the ordinary rod weeder will not.

The Model M shown above is very popular for use with Noble aqueduct hitches, from two to seven in a unit, for large power.

Write for information, stating your soil type and tractor power.

Fifteen years' experience under all field conditions is behind this cultivator. We welcome comparison in field tests with any other tillage equipment.

For better penetration in extremely hard ground For extra deep work.

Best for reasonably firm soils and most ordinary conditions.

For sandy soils and very loose textured black soils, particularly where grassy patches occur.

For all weeding and summerfallow work after the ground has first been loosened by the regular blade. Fits on the same frog as the regular blade.

the Consolation prize. be the guest of her son-in-law and
daughter, Mr. and Mrs. W. G. Wil-
lams (Barbara).

Mrs. Low was presented with a lovely gift from her friends gathered there. She will also have her first glimpse
of her new grandson who was born May 14th.

A tasty lunch was served.

Mrs. Leonard Cox and brother Cloyd Killeen of Monarch are in Kin-
uso to attend the funeral of their mother Mrs. Jack Killeen. During his mother's absence little Jimmy Cox is staying at the D. Matkin home here.

Mrs. T. Wagstaffe will fill the Sec-
retarial position at the Mental Hos-
pital Office left vacant by the resig-
nation of Mrs. J. Pittaway who is
leaving Raymond to reside at Taber.
